## Reconciliation of Non-GAAP Financial Measures To Corresponding GAAP Financial Measures March 31, 2018

Free cash flow, aggregate segment operating income, and diluted earnings per share (EPS) excluding certain items affecting comparability are not measures of performance defined by, or calculated in accordance with, generally accepted accounting principles (GAAP). These measures should not be considered in isolation, or as a substitute for the corresponding GAAP financial measure. These measures, as calculated by the Company, may not be comparable to similarly titled measures employed by other companies.
